

## **CHILD NUTRITION PROGRAM STATE WAIVER REQUEST TEMPLATE**

Child Nutrition Programs are expected to be administered according to all statutory and regulatory requirements; waivers to the requirements are exceptions. However, Section 12(l) of the Richard B. Russell National School Lunch Act, 42 U.S.C. 1760(l), provides authority for USDA to waive requirements for State agencies or eligible service providers under certain circumstances. When requesting the waiver of statutory or regulatory requirements for the Child Nutrition Programs (CNP), including the Child and Adult Care Food Program (CACFP), the Summer Food Service Program (SFSP), the National School Lunch Program (NSLP), the Fresh Fruit and Vegetable Program (FFVP), the Special Milk Program (SMP), and the School Breakfast Program (SBP), State agencies and eligible service providers should use this template. State agencies and eligible service providers should consult with their FNS Regional Offices when developing waiver requests to ensure a well-reasoned, thorough request is submitted. State agencies and eligible service providers are encouraged to submit complete waiver requests at least 60 calendar days prior to the anticipated implementation date. Requests submitted less than 60 calendar days prior to the anticipated implementation should be accompanied by an explanation of extenuating circumstances.

For more information on requests for waiving Program requirements, refer to SP 15-2018, CACFP 12-2018, SFSP 05-2018, *Child Nutrition Program Waiver Request Guidance and Protocol- Revised*, May 24, 2018.
