

# Idaho SESTA FY24 Q1 Status Report 10/31/2023

Idaho Special Education Support and Technical Assistance (SESTA) provides online resources, problem-solving support, professional development, and targeted technical assistance to educators to improve outcomes for students with disabilities. Idaho SESTA uses a tiered model to support all LEAs in the state based on need. Idaho SESTA is a collaborative project at Boise State University and the University of Idaho and is funded by the Idaho State Dept. of Education, Special Education Department.
