Update Contacts

It is that time of year again that there are many personnel transitions. Please take some time to assure that new staff are assigned new contact roles, have accounts created, and that previous personnel are removed from roles.

Here's a few to check:

- **Title III EL Coordinator (IDCI)**
- **ID English Language Proficiency Assessment Coordinator (IDCI)**
- ELMS.Editor (Admin Tool User)
- WIDA secure site account
- WIDA AMS account

The two bolded IDCI contact roles are used for sending out any EL update emails. Please contact your district ISEE Coordinator for role assignments.

Interested in being on Idaho's EL Advisory Committee?

The Idaho State EL & Title III Department is seeking individuals interested in serving on an EL Advisory Committee. The committee will meet at least twice a year to discuss trending EL topics for our state and provide guidance. We are looking for broad representation of EL stakeholders from all regions of the state. Here are just a few topics the Advisory Committee will address: ELs with disabilities, evaluating EL programs, and monitoring guidance.

If you are interested in serving on this committee, please [provide your information here](#). We will inform applicants regarding their status by September 22.
