Advanced Opportunities (33-4602, I.C.)

- **Fast Forward Program** – Funding is available to pay for overload courses, dual credit courses, college-bearing exams, professional-technical exams, and workforce development training. Every public school student in grades 7-12 is allocated $4,125.00 for these purposes. In most cases, these funds will be paid directly to Idaho public post-secondary institutions and IDLA. The school district or charter school will be the recipient of these funds if:
  a) The school district or charter school is the provider of an overload course.
  b) A course taken by a student is through a private institution. The school district or charter school will be expected to forward these funds to either the institution or to the family.
  c) Students are requesting funds for an examination (AP, IB, CLEP, and CTE). The school district or charter school will likely be billed for this activity by the exam provider, or may need to reimburse the family.

- **Early Graduation Scholarship** - These funds are related to scholarships awarded to students for Early Graduation. If a student graduates at least one year early, they are eligible for a scholarship equal to 35% of the ADA funding, which they can use at an Idaho public post-secondary school. The SDE will disperse these scholarships directly to the college or university. School districts and charter schools will receive an equivalent award of 35% of the ADA funding for any student who graduates at least one year early that is reported to the SDE by June 15th of each year.

Receipts for all transactions related to Advanced Opportunities are available in the Advanced Opportunities portal. Contact Brock Astle (208-332-6944, bastle@sde.idaho.gov) for additional information.
