

JUNE 14, 2021 VIRTUAL

SUSTAINING

INNOVATION

Idaho Mastery-Based Education Annual Conference

Join educators from around the state of Idaho in sharing practices and experiences with mastery-based education principles. No matter your understanding or stage of implementation with mastery, you will find something compelling and informative. Workshop sessions include the highly engaging keynote speaker, author George Couros, a Q & A panel, and workshops for practitioners, administrators, and those new to mastery.

HIGHLIGHTS!

Keynote

International Best-Selling Author:
