**Definitions:**

**District team:** A district team consisting of sped director, (2) principals from identified schools, district coach, and instructional staff that will implement and plan for sustaining the work.

**District coach:** \* **The coaching component of the project is optional in year 1 (readiness).** The only required work for coaches during the readiness year can be found within the instructional staff (pink) strand.

**Instructional Staff:** Staff currently working with students. Additional requirements are included for staff who choose to be a part of the coaching strand. See coaching (blue) strand for reference.
