Intentional selection of coursework is a critical element of these programs. Student who use Advanced Opportunities funds for more than 15 college credits, must receive post-secondary advising before accessing more funds.

All courses paid for by *Advanced Opportunities* must be transcribed on the student’s public high school transcript.

The parent/student understands that he/she will be held responsible for tuition and fees incurred as a result of participation in courses or exams taken from a college/university or other provider, and will be responsible for complying with policies and procedures set forth by the provider.

The Idaho State Department of Education will send payment for courses to the public Idaho post-secondary institution or the student’s school district. Eligibility for payment is subject to the deadlines and procedures set forth by local school district in partnership with course/exam providers. All payment requests must be submitted through the Advanced Opportunities portal according to district guidelines. The parent/student(s) is responsible for any fees that are not processed through the portal.

If a student fails to earn credit or successfully complete a course for which Advanced Opportunities has paid a reimbursement, the student must pay for and successfully earn credit or complete one (1) like course before Advanced Opportunities may pay any further course reimbursements for the student. If a student performs inadequately on an examination paid for by *Advanced Opportunities*, the local school district will decide whether the student may continue utilizing *Advanced Opportunities* funding, or if she/he must pay for the cost of a “like” examination before using further funds. *Advanced Opportunities* funds may not be used for repeated or remedial course work.

With the approval of the school district students can track expenditures of their allocation by creating an account in the Advanced Opportunities portal.

This form will be retained by the student’s school district. ***Please do NOT send this form to the State Department of Education.***
