NORTHWEST  
NAZARENE  
UNIVERSITY

Any classes beginning on or after July 1, 2020 are eligible for a reimbursement of \$150 per student. Please make sure to use the updated form located on our website to ensure accurate reimbursements to your school.

Idaho Operation Lifesaver has presenters willing to speak to your driver ed classes about train safety. They will even do presentations via online platforms. Email Tim Johnson at [oli.idaho@gmail.com](mailto:oli.idaho@gmail.com) for more information and to set up a presentation for your students.

The next NNU Driver Education Instructor Licensing class is scheduled to start September 7th. If you are considering taking a break or retiring from Driver Ed, please find a teacher to take your place teaching. This is the only way we keep the public programs running. # 2021 Professional Development Opportunity

Association of National Stakeholders in Traffic Safety Education (ANSTSE)

ANSTSE Virtual Professional Development Workshop (PDW) Webinar Series

**August 24-27, 2020**

**1:00 - 4:00 pm EDT**

**Please note that all times are Eastern Daylight Time**

These are free to attend, but there is a \$15.00 certificate processing fee for **each** virtual workshop. Attendees can apply to receive a certificate for each workshop they participate in. Each virtual workshop is worth three (3) hours of professional development credit, for a total opportunity of up to 12 hours (four separate certificates). These will count towards your 2021 professional development hours required in Idaho each year.

Attendees may participate in as many workshops as they are interested. You **MUST** register for each individual workshop. You will receive a separate email confirming registration that will contain a unique webinar link to participate in **EACH** workshop. Space is limited so register now. Visit <http://www.anstse.info/> for more information.

To register use the following links for **EACH** workshop you are interested in:
