

Rules

Good evening, and welcome to Gear Up's 8th Grade Bingo Night. My name is Carol Roberts, and I am the Gear Up Site Coordinator for Kellogg Middle School, and I spend time helping your students think about what they want to do after they graduate from high school.

Tonight, we are going to play some BINGO, and, as we play, I will be sharing little tidbits of information about ways to prepare your student for college.

This evening is geared for parents and their students. If we have anyone here who is not in middle school, we will have some special rounds of Bingo to play for them, so they can earn some special prizes as well.

We have 10 rounds scheduled tonight, with different kinds of games, which I will explain before each round.

The final round will be a blackout.

Each round will have an adult winner, and a student winner. The prize and game will be announced before each round.
